

## Island Professional Event Network

*Your link to creating excellent events*

The Vancouver Island Professional Event Network hosts events in Victoria and the Mid-Island, exposing members to a variety of meeting spaces and event venues.

The IPEN membership is a wonderful resource for planners, *but also* for small businesses or associations, *who aren't necessarily in the event industry*, yet still have a lot of events to plan! IPEN allows you access to the discovery of new venues and unique entertainment options – everything you need to create an unprecedented event, every time.

With a strong and growing membership of **Island-based** planners, hotels, event venues, entertainers and event suppliers, IPEN provides an opportunity for you to be seen and heard among your **local** industry peers.
